MASTER'S COURSE

Elevate your beauty skills with the Syrena Aesthetics Academy's Diploma in PMU Mastership.

Permanent Makeup (PMU) is the art of enhancing facial features using advanced techniques and pigments for long-lasting, natural results.

A PMU artist performs treatments like microblading, ombré brows, lip blush, and eyeliner to enhance beauty and boost confidence.

The PMU industry is rapidly growing, offering great career opportunities in clinics, studios, and freelance work.

We have live Model Hands-on and detailed Q&A sessions for complete clarity of the course.

WE DO IT BY ENABLING THEM TO LEARN FROM THE EYES THROUGH OUR LIVE DEMONSTRATIONS, PHOTOGRAPHS, INSTRUCTION VIDEOS, AND FINALLY, BY HAND TO ABSORB THE TECHNIQUES THAT CAN ONLY BE ACQUIRED THROUGH EXPERIENCE AND LOTS OF TRIALS & ERRORS; WE PREEMPTIVELY CORRECT EVERYTHING TO LEAVE NO ROOM FOR ERRORS.
